OBJECTIVE

Recent graduate looking for an entry-level job as a UI/UX Designer and Front End Developer at a dynamic company. I want to use my skills in HTML, CSS, JavaScript, and design tools like Figma and Adobe XD to create easy-to-use websites and apps. I love designing with the user in mind and am excited to learn and grow in my career. I hope to bring new ideas and work with a great team to build digital solutions that make users happy.
